Designing effective leadership capacity development

Servant leadership expands upon this value element by promoting self- transcendence in the service of supporting the growth and development of others (Lussier & Achua, 2007).

Holistic Leadership: A Model for Leader-Member Engagement

A common characteristic seen in high-performance teams is cohesiveness, a measure of the attraction of the group to its members (and the resistance to leaving it). Those in cohesive teams are more cooperative and effective in achieving the goals they set for themselves.
