There are 201 engineering colleges affiliated to Visvesvaraya Technological University (VTU), which is in Belgaum in the state of Karnataka, India. This list is categorised into two parts, autonomous colleges and non-autonomous colleges. Autonomous colleges are bestowed academic independence, primarily in order to enhance the level of education in those colleges.

Nanotechnology education involves a multidisciplinary natural science education with courses such as physics, chemistry, mathematics and molecular biology. It is being offered by many universities around the world. The first program involving nanotechnology was offered by the University of Toronto's Engineering Science program, where nanotechnology could be taken as an option.
