By: Allen Smith. Allen Smith is a 37 year veteran who started at an early age in a household goods family moving business. He began driving straight trucks in 1977 and moved to the big rigs in 1982.

OSHA and Your Rights as a Truck Driver - Ask The Trucker

Rail terminology is a form of technical terminology. The difference between the American term railroad and the British term railway (also used by other English-speaking countries outside the US) is the most obvious trans-Atlantic difference in rail terminology (see usage of the terms railroad and railway for more information). There are also others, due to the parallel development of rail ...
