Coaching Football Technical and Tactical Skills online course with e-book The course is designed to help coaches learn how to teach the technical and tactical skills of football and is suitable for high school coaches, serious club coaches, undergraduate students, and advanced coaches at the youth level.

### **Coach Education Center**

In association football, the duties of a coach can vary depending on the level they are coaching at and the country they are coaching in, amongst others. In youth football, the primary objective of a coach is to aid players in the development of their technical skills, with emphasis on the enjoyment and fair play of the game rather than physical ...
