

entrepreneurship policy theory and pdf

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".

Employment Protection, Investment in Job-Specific Skills, and Inequality Trends in the United States and Europe. With Ruben Gaetani. Abstract: Since the 1980s, the United States has experienced a sharp rise in the college wage premium. In contrast, in a number of European economies such as Germany and Italy the return to education stayed roughly the same.
