Ninth grade, freshman year, or grade 9 is the ninth post-kindergarten year of school education in some
school systems. Ninth grade is often the first school year of high school in the United States, or the last year
of middle/junior high school. Students are usually 14â€“15 years old. In the United States, it is often called
Freshman year.

Standardized testing in Alberta was first known to be introduced in 1892 when the government of the Northwest Territories, of which modern day Alberta was originally part of. The government instituted the examinations as it sought to attain greater accountability and ensure its students were well regarded when applying to tertiary institutions. As a result, today the territorial governments of ...
