This unique text presents a series of clinical cases of increasing complexity and range. Readers are taken through a structured way of thinking that facilitates clinical reasoning and the arrival of a justified treatment plan. Each case includes a commentary and opportunities for reflection on practice, and identifies key learning points.

The Department of Dietetics and Nutrition has successfully prepared dietetic practitioners through a Didactic Program in Dietetics (DPD) and a Coordinated Program (CP) for nearly five decades. As part of our continuous quality improvement efforts, the department has established a Dietetic Internship (DI) program.
