### **Online Library of the American Revolution**

The American Revolutionary War (1775–1783), also known as the American War of Independence, was an 18th century war between Great Britain and its Thirteen Colonies (allied with France) which declared independence as the United States of America.. After 1765, growing philosophical and political differences strained the relationship between Great Britain and its colonies.

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
