Hillson, D. (2006). Integrated risk management as a framework for organisational success. Paper presented at PMI® Global Congress 2006 – North America, Seattle, WA.

Integrated risk management as a framework for - PMI

Abstract. Sustainability is a critical business focus, and sustainable project management requires looking at projects in a whole new way. For too long, project managers have worked on their projects as if they were islands, unrelated to organizational strategy and governance and unrelated to the community at large.
