The Journal of Research Practice (JRP) is a quality-conscious peer-reviewed journal, published online by Athabasca University Press (), Canada, in the open-access mode. The journal relies on sponsorship rather than charging authors or readers to meet its cost of operations. JRP follows principles of editorial independence and integrity to ensure quality and relevance of what it publishes.

A personal health record, or PHR, is a health record where health data and other information related to the care of a patient is maintained by the patient. This stands in contrast to the more widely used electronic medical record, which is operated by institutions (such as hospitals) and contains data entered by clinicians (such as billing data) to support insurance claims.
