

DOWNLOAD REQUIREMENTS FOR CCTV INSTALLATION

requirements for cctv installation pdf

The first CCTV system was installed by Siemens AG at Test Stand VII in Peenemünde, Nazi Germany in 1942, for observing the launch of V-2 rockets. The noted German engineer Walter Bruch was responsible for the technological design and installation of the system. [not in citation given] In the U.S. the first commercial closed-circuit television system became available in 1949, called Vericon.

Closed-circuit television - Wikipedia

What people say about this software? - If you google "lens calculator" a number will come up for you to use or you can choose the IP Video System Design Tool, a small undiscovered gem. The IP Video System Design Tool, available at www.jvsg.com provides excellent functionality for storage and complex field of view calculations.
