

societies of north america pdf

In the classification of the archaeological cultures of North America, the Archaic period or "Meso-Indian period" in North America, taken to last from around 8000 to 1000 BC [citation needed] in the sequence of North American pre-Columbian cultural stages, is a period defined by the archaic stage of cultural development. The Archaic stage is characterized by subsistence economies supported ...

Archaic period (North America) - Wikipedia

In 1778, Saint Pierre and Miquelon were attacked by a force led by Newfoundland's Governor John Montagu and then population deported by the British as retaliation for French support of the American Revolutionary War. The residents were sent to France and their homes were destroyed.
